IN YOUR WORKPLACE

"It's great for the UK office to get involved and we had a great response, everyone was very willing to muck in and help out. The idea of Mitzvah Day is something that translates across race and religion. It's quite refreshing. I love it."
Lady Nicola Mendelsohn, CBE

HELPING THOUSANDS
OF CHARITIES

“Last year a wonderful thing happened to us here at Dashwood House. We received a massive food bank donation, arranged by Mitzvah Day. The donation helped keep many of our clients safe. It may have saved a life. But certainly, just knowing that someone cares can make a difference.”
Jonathan, Dashwood House
